// Road description //

At the main entrance of the Dortmund Hauptbahnhof (main station) you just cross the street straight towards the citycenter. Before the stairs head left, along the red block building towards the Mario Botta glass shell. There is a tourist information and a restaurant and the next entrance on the right is the event space of the Dortmund library, accross the main entrance of the library.

left: view from the main entrance of Dortmund Hauptbahnhof (main station) // right: The white arrow marks the entrance area of the library. Minor note: The left poster features the exhibition „On Disappearance“ by HMKV. It might disappear sooner or later.

// Walking time //

Depending on the traffic lights: 1.30 Minutes
